MEMORANDUM FOR: The Honorable Henry A. Kissinger
Assistant to the President for
National Security Affairs

SUBJECT : Further Developments Concerning the Plans
and Intentions of the Cambodian Ambassador
to the United Nations

1. I am forwarding for your attention the following recent information concerning Huot Sambath, the Cambodian Ambassador to the United Nations, whom you have agreed to meet informally.

2. According to the [redacted] educator with whom this Agency is in touch, Ambassador Sambath returned to New York from France on 25 February 1970. Sambath stated he had several conversations with Prince Sihanouk and his advisers. When informed of your agreement to meet Sambath, the Prince expressed his pleasure and instructed Sambath to proceed. In describing this development, Sambath told [redacted] educator: "We have diplomatic relations of a sort but we want friendly relations as well."

3. On 27 February, Ambassador Sambath prevailed upon [redacted] to telephone the White House to request an appointment. Although [redacted] stressed his personal reluctance to become involved in a governmental affair, Sambath argued that his English proficiency is poor and he did not desire to rely upon members of his office staff for fear the matter would become known at the United Nations and among employees of the Cambodian Ministry of Foreign Affairs.

4. When he telephoned the White House, [redacted] eventually was put in touch with Mr. Young of your office. It was agreed the appointment would be set sometime during the period 1-6 April, and that the precise date would be fixed after further consultation on 23-25 March. 2

During his visit to Washington Sambath will also call upon Senator Mansfield, Senator Fulbright, Congressman Zablocki and Mr. Robert McNamara. The purpose of these visits is not known at this time.
